

# Chealsea Wierbonski

KEYNOTE SPEAKER | WRITER | COACH

Chealsea is a Keynote Speaker, Writer, and Coach, as well as a product leader at Google, where she's worked for over 13 years. Chealsea started her journey as a woman in tech nearly 30 years ago! Chealsea is dedicated to sharing the insights and strategies that she used to navigate her journey from first generation college student in Appalachia to a successful female leader at Google in NYC. Chealsea aims to empower women with the tools and confidence necessary to become strong and capable leaders in all aspects of their lives.
